Dear Shri Rachiah,

C.C.F for a report within a month RDL 13/10/62 S.A&F) PS

Mattenakoppa is a village between Umblebyle and Narasarajapura on the deviation road. It is a new village where some displaced persons have come and settled down. It was brought to my notice that there are about 300 families roundabout the village. It was told that a portion of Survey No.74 has been released for cultivation and there are still about 100 acres which have not been released. They represented that they may be given some lands for cultivation from out of the forest area. Please look into the matter and see how best they can be helped.

Sub:- Release of 75-00 acres in S.No.74 of Muthinakoppa Village, N.R.Pura Taluk (Aramballi State Forest) for cultivation.

. . . . .

I enclose herewith a copy of letter No. "IS 5439 GFL/63-64 dated 8-8-1963 from the Conservator of Forests, Shimoga Circle, Shimoga along with its accompaniment on the subject for perusal. The area proposed for release is included in Aramballi State Forest and an area of 1203 acres has been released so far out of this Forest. However the area of 75 acres recommended is a small plot and it is reported to be bounded on all sides by cultivation. Hence there is no objection to release this area for being granted to the local villagers.

Orders of Government may please be issued early for taking further action.

This also disposes of the representation of Shri S.V. Krishnamurthy Rao, Deputy Speaker, Lok Sabha, received with your letter No. AFD 76 FGL 62 dated 31-10-1962. ~~for information.~~

Yours faithfully,

Sir,

Sub: Release of 75.00 acres in S.No.74 of Muthinakoppa Village, N.R.Pura Taluk (Aramballi State Forest) for cultivation.

I enclose herewith a copy of D.O. letter No. M4-PR-24/63-64 dated 19-7-1963 received from the Deputy Commissioner, Chickmagalur, on the above subject, for kind perusal.

2. The area in question was inspected by me and the Deputy Commissioner, Chickmagalur and also by the Special Officer for Rehabilitation, Shimoga on 28-3-1963. S.No. 74 of Muthinakoppa is included in Aramballi State Forest. The proposed area is ad acent to the area already released. An extent of 33.03 acres in the same S.Nos. which is adjacent to the area proposed now has been ordered for release vide Government Order No. 93 FGL 63 dated 11-7-1963 as per the recommendation of the Three Man Committee after their inspection on 28-3-1963.

3. Since this proposed plot is small and bounded on all sides by cultivation, I have no objection to release this 75 acres in S.No. 74 of Muthinakopna, for granting to the local villagers, for cultivation. The standing Malki in the area will be disposed of by the Forest Department and the area will be handed over to the Revenue Department after clearing the forest growth.

I request orders of Government releasing the ar a may kindly be obtained and communicated early. The sketch of the proposed area is enclosed herewith.

Yours faithfully,

(Y.N.L. SHARMA),
Conservator of Forests.

Sub: Release of 75-00 acres in S.No. 74 of Muthinakoppa village, N.R.Pura Taluk - (Arambally State Forest) for cultivation.

Ref: Special Land Acquisition Officer, Lakkavalli report No. A.I.P.R.154/62-63 dated 29-4-1963 in the matter.

You will remember, that when we were last at Narasimharajapura, there was a representation from the Taluk Board President and other members regarding release of land for cultivation. At that time, the Special Land acquisition Officer submitted a proposal for the release of about 75 acres of land out of S.No. 74 of Muthinakoppa village, which is a State Forest. You were kind enough to promise to look into the matter. The request of the local people for land is bonafide. While there is a separate establishment headed by an Officer of the status of Deputy Commissioner to look after the needs of expropriated ryots, the genuine requirements of the local people go by default.

I request you to kindly take early action to release at least 75 acres out of S.No. 74 of Muthinakoppa village for cultivation, by local villagers. It is reported that the land is very suitable for use as rainfed wet.

The sketch of the land required to be released is enclosed for ready reference.

P.T.O.

I would be greatfuly obliged for an early reply.
